Your registration for the trade show entitles you to :

- A free insert in the catalogue
- La possibilité de participer aux rendez-vous d'affaires

Nota : - This information is essential for us to establish your file
"Skills"

- If you are a trader or in industrial supply, do not complete the part
"1 Skills" but only 2 and 3.

Our aims :

- Optimize your page and your ranking in the show catalog
- Provide you with the benefit of the needs expressed by the contractors and buyers participating in business meetings. Contacts will take place in the «buyer» area or at your stand according to the buyers' wishes.

Business Meetings :

«Win / win meetings»

A precise analysis of the needs expressed by the principals is carried out in line with the skills of the subcontractors and exhibiting suppliers via our dedicated platform so that we can offer you effective meetings.

Preamble

The Exhibitor and Trade Show Promotion (hereinafter individually collectively «Party (s)») have come together to define and set the terms and conditions of the request for participation formulated by the Exhibitor to Promotion Trade fairs. As such, the Exhibitor acknowledges having been invited by Promotion Trade fairs to formulate its observations / remarks on the draft participation contract when sending the Quote and this Agreement. At the end of their discussions, the Exhibitor and Trade Show Promotion have agreed to work together under the conditions defined below. As such, the Contract replaces any other document previously exchanged between the Parties. In this context, the Exhibitor on the one hand and Promotion Trade Show on the other hand declare having received all the information necessary for their commitments and also have perfectly understood and accepted their commitments under the terms of said Contract. As such, the Exhibitor acknowledges that its essential obligations under the Contract are as follows: transmit all information and / or elements and / or complete all the necessary steps to achieve Services provided by Trade Show Promotion, make full payment of the price of the Contract, in this including, where applicable, participation in insurance. For its part, Promotion Salons recognizes that its obligations essential is to carry out, on time and according to standards required quality darts, the agreed services and detailed in the Quote and, where applicable, reordering of additional services.

ARTICLE 1 - ORDER OF SERVICES

Requests to participate are made on the basis of special letters in paper or electronic format dedicated to each Event. They are completed and signed by the Exhibitors themselves. When the request to participate comes from a legal person, mention is made of its legal form, of its capital and its registered office. It is signed by the legal representatives. The Contract is firm and final and the Exhibitor is committed upon receipt by Promotion Salons of the Quote accompanying this Contract, returned signed by the Exhibitor; subject to a possible duly justified refusal. Trade Show Promotion as referred to in Article 3 below. The Exhibitor declares having read and accepted the rights and obligations relating thereto. Any request for participation implies the full adherence of the Exhibitor:

- this Agreement,
 - the general regulations for Commercial Events of the French Union of Event Trades (version RGMC 2015 from January 1, 2016),
 - the safety specifications - internal regulations of the place hosting the Event,
 - the special technical regulations appearing in the Space Exhibitor (construction regulations, waste process, etc.).
- The Contract is thus made up of all the documents above mentioned as well as any public order provisions applicable to Events organized in France. Exhibitor also undertakes to respect any new provision that Promotion Salons would mean to him, even verbally, if the circumstances or the interest of the Event so require.

ARTICLE 2 - EXHIBITOR & CO-EXHIBITOR.2.1

In support of his request to participate, the Exhibitor is required to provide a «certificate» of trademarks or signed models, if applicable if importer or agent factory considered as an intermediary, by each firm whose products or materials will be exhibited. Special forms can be requested from Promotion Salons. Promotion Salons reserves the right to monitor compliance of the type of material or product exhibited in relation to the nomenclature provided for in the participation request. If any of the above recommendations are not followed, Promotion Trade Shows will be forced to take measures up to the closing of the stand or the location - reprehensible and termination of the Contract.

2.2 Any Exhibitor who participates in an Event on the other Exhibitor's stand, even on an ad hoc basis, must formalize its presence with Promotion Salons, completing a participation request and subscribing a Contract with Trade Show Promotion according to the terms referred to herein. A registration fee and insurance costs will be charged. This Contract will offer all the inherent advantages to any recognized Exhibitor (registration in the guide, insurance, etc.). In addition, the co-Exhibitor must comply with the obligation to leave your equipment on your stand for the duration of the Event, no exit of material being allowed.

2.3 During the duration of the Event, in the enclosure and in the immediate vicinity of it, any Exhibitor is prohibited from any act or behavior constituting parasitism or unfair competition with regard to the Event and / or its Exhibitors and / or Partners. Promotion Trade fairs reserves furthermore, the right to refuse access or to expel, provisionally or definitively, any Exhibitor whose wear would endanger the peace or security of the Event, Trade Show Promotion and / or others Exhibitors and / or visitors.

ARTICLE 3 - CONTROL OF RESERVATIONS, ACCEPTED-SIONS OR REFUSAL - Promotion of Statue exhibitions

at any time including after receipt of the request to participate as referred to in Article 1 above on refusals or admissions, without recourse. A request to participate can therefore be refused by Promotion Salons which will justify refusal, having regard in particular to the provisions of Articles 2 and / or 10 below and / or, where applicable, with regard to the adequacy of the Exhibitor's offer with the positioning strategic event. The Exhibitor

whose request participation will have been refused will not be able to rely on the fact that it has been admitted to previous Events, no more than he cannot argue that his membership was requested by Promotion Trade Shows. He will also not be able to invoke, as constituting proof of admission, the correspondence exchanged between him and Promotion Salons or the collection of price corresponding to the services ordered, or the publication of his name on any list. The refusal participation by the Exhibitor may not give rise to payment of any compensation other than reimbursement sums paid to Promotion Salons excluding costs file opening which will remain with the latter. The consequences of a defection are defined in the present tense Contract.

ARTICLE 4 - DATE AND DURATION - Exhibition promotion, organization or organizer of the Event, reserves the right at any time to change its opening date or duration, to decide on its extension, adjournment or early closure without the Exhibitors being able to claim any indemnity.

ARTICLE 5 - SANCTION IN THE EVENT OF NON-PERFORMANCE OF THE CONTRACT

5.1 EXCEPTION OF NON-PERFORMANCE - In accordance with provisions of articles 1219 et seq. of the Civil Code, the execution of the Contract may be suspended by one or the other Party in the event of non-performance by the other Party of any of its essential obligations, after sending a letter of formal notice sent by letter registered with request for acknowledgment of receipt during the time limit referred to in the said letter. All resulting costs the resumption of the performance of the Contract by either of the Parties will be invoiced on supporting documents to the defaulting Party. At the end of this period, if no modification has been made allowing the performance of the Contract to resume, it will be automatically resolved to the benefit of the defaulting Party. This termination will be notified to the latter by sending a new registered letter with request for an opinion reception. In this case, the sums paid to Exhibition promotion by the Exhibitor on the day of termination of the Contract will be refunded to the latter, less costs - internal and external - incurred by Promotion Salons after the performance of the Contract until the date of termination.

5.2 TERMINATION OF THE CONTRACT - It is expressly agreed between the Parties that breaches of obligations of each of the Parties as referred to in Article 1 above may result in the termination of the Contract after formal notice from the defaulting Party sent by letter registered with acknowledgment of receipt remained unsuccessful. The termination will be notified to the latter by sending a new registered letter with request notice of receipt and it will take effect immediately. In the case where the termination is at the fault of the Exhibitor: the exercise of this termination option will result in payment to receipt of the invoice by the Exhibitor for the full price of the Contract and the costs incurred by Promotion Salons under from the execution of the Contract until the date of termination. In the case where the termination is at the fault of Promotion Salons: the amounts corresponding to the Contract until the date of termination will be due by the Exhibitor. If applicable, Promotion Salons will return to the Exhibitor the sums overpaid. In the assumption that the down payments made by the Exhibitor on the date of termination of the Contract are insufficient, the balance will be paid by the Exhibitor upon receipt of the corresponding invoice dated.

5.3 FORCED EXECUTION -

Taking into account the specificity of the nature of the Services considered and the essential know-how necessary for the execution of Exhibition Promotion obligations under the Contract, the Parties expressly agree to exclude the application of provisions of articles 1221 and 1222 of the Civil Code.

ARTICLE 6 - FORCE MAJEURE

In accordance with the provisions of article 1218 of the Civil Code, the obligations of the Parties will be suspended in the event of a force majeure event. By convention express, are assimilated to cases of force majeure in particular the following events: war, riot, fire, strike, natural disaster, shortage of raw materials, strike transport, administrative closure of the site taken by a competent authority with powers in matters of security or police necessary, even if the conditions legal and jurisprudential force majeure are not notified; proven threat of terrorism or commission of an act of terrorism. The Party victim of the Force Majeure event notifies the other Party by registered letter with request notice of receipt immediately upon occurrence said event and the performance of its obligations will then be suspended. If the impediment is temporary, the performance of the obligation will be suspended unless the resulting delay justifies the termination of the Contract. In the event of continuation of the Contract, the Exhibitor will pay Promotion Trade Fairs all costs incurred during the period suspension of the Contract plus any other costs which could be generated when the Contract is taken over and on supporting documents. If the impediment is final, the Contract will be fully terminated and the Parties will be released from their obligations. Termination will result in payment upon receipt of the invoice the full price of the Contract and internal costs and external contractors hired by Promotion Salons for the execution of the Contract until the date of the occurrence of the Force Majeure.
